Andy, Warren, Lee Anne & families, my sincere sympathy to you. Ron & my husband Bob worked at Greening Donald together,, also they both were from Vasey. Elaine & I attended Teacher's' College at the same time . Needless to say we had some good times together and were friends ever after. Their anniversary was one week after ours. Bob and I came home from our honeymoon to attend. A lovely wedding . Cherish happy memories!

So very sorry to hear of your loss. I always enjoyed chats with your mom at Ebenezer and St.Johns. As I drove past your farm just yesterday I remembered coming over for corn roasts when your dad was still alive and how much we enjoyed that. Your mom certainly was a lovely lady. She will be missed. Thoughts and prayers to you.

I have many happy memories of time spent with my cousin Elaine; the McCullough Family picnics when the 11 children of James and Margaret McCullough and their families would gather from across Ontario in the Orillia area for a picnic, games, stories and lots of laughter; attending the dances at the Pavilion at Wasaga Beach with Elaine and Mac; being a bridesmaid at Elaine and Ron's wedding. More recently when the daughters of the seven McCullough women meet in Toronto for lunch, stories, some of which might have been true, and lots of laughter. You are missed Elaine.
