l would like to say Dave was a customer of mine from about 1970 to my retirement in the late 1990s. l was a contractor--Dave was never anything but a gentleman to do business with. Had all people been like Dave life would have been very pleasant. Goodbye Dave and God bless you old timer.

Condolences from all the Thompsons to the Sherk Gang on the passing of Dave. What a character he was. One of those few people that once you have met you never forget. Included everybody in his antics, taught most of Woodland Beach how to ski, or just get dragged around the Bay behind his boat. As the family noted, he was the founding " father that started it all" Dave's idea of good times, was, in his words, " Good times and good fellowship." Always doing something and willing to share it with everyone around him. Again, condolences to the Sherks, on Dave's passing.

Its sad to see Dave pass on. Our sympathy goes out to Joan, Cindy and the rest of the family. We didn't see Dave all that much, but whenever we did, his picture is exactly how we remember him. Always happy, always smiling. A really, really good man
