Our sincere sympathy to the Allan family on the passing of Wayne. He was far to young. Cherish your memories and accept the support of family and friends as this journey is far too difficult to travel alone. Unfortunately we will not be able to attend as we are leaving to travel north and visit my sister in Thunder Bay. Know that you are in our thoughts and prayers.

We are sending our deepest condolences to Pat, Griffin and Braeden on the loss of an amazing man. Mr. Allen was always such a joy to talk to and his positive, infectious spirit made you come away from every conversation with him with joy and happiness. One of our favourite memories was something small, but so meaningful. My wife Nikki and I were on our way to a cottage when we stopped in at the Craighurst Foodland. There, we randomly ran into Mr. Allen. What seemed like a 5 minute conversation ended up being about 30 minutes. We talked about everything from track, school, the community, history, travel. He insisted I call him Wayne but I just couldn't. He is Mr. Allen because of the respect and admiration I had for him not only as a teacher but the amazing person he was.

As a former student of Mr. Allen at EDHS, I am very saddened to hear of his passing. He was my favourite high school teacher. We shared a love of history and I credit him greatly with fanning the flames of that passion in my teenage years. He was one of the kindest teachers I had the pleasure of learning from, as well as having a great sense of humour. He was able to make a topic that many consider to be dry and boring into something exciting; at times he could barely contain his enthusiasm for history, and it certainly infected me with the same interest. He truly cared about his students in a way that most teachers are not able to achieve. I want to express my most sincere condolences to his family and loved ones. Thank you.

Mr. Allen was a wonderful teacher and person. He's best teacher I've ever had and I'm sure many others would say the same. It was great getting to catch up with him from time-to-time at Connexus after I graduated. It was always clear he loved life and adored his family and I have always admired that about him. When I was in his class, he told us all there's a good chance our University roommates will end up being the best friends we ever had. Turns out, he was right. I think about that often. What a smart guy! I'm sending my thoughts, love and prayers to Pat and the boys as well as Mr. Allen's other family and friends. He was one-of-a-kind. I'll miss him a lot. Lots of love, - Brad MacDonald, Emily and James

It is hard to express the impact that Wayne had on his peers, the EDHS community, the track and field community and of course, the mighty pirates. Wayne was one of the finest persons I have had the privilege of knowing and became a good friend, not just a colleague. His commitment to his family, his school, students and life will leave an enduring legacy. EDHS was a very small track team when Wayne arrived on the scene, instantly transforming it into a perennial powerhouse in the Georgian Bay Athletics Association. Morning, noon and afternoon would see Mr. Allen out at the discus circles with a horde of hopeful throwers listening to the master explaining the virtues of the "throws", as well as how to be a better person. He would put countless hours on the field doing what he truly loved. Wayne loved taking athletes to competitions. We always had to do some "overnights" to help the team bond. He made sure that every athlete had the opportunity to go, even if he had to help fund it himself. Other necessities of each trip were the team meal (with Wayne having his usual Philly steak sandwich), and of course, evening play time with the kids. For example, in Kitchener for the TrackWars meet, our hotel was located across from the TSC store. Wayne took his throwers over buying each of them a welding hat which they then wore the next day during competition. Another meet we often went to was the Nipissing Invitational in North Bay. I arrived after the team and wasn't aware that Wayne had brought two huge Nerf machine guns with him. He gave it to the kids who were running up and down the halls playing war games with the guns. In our room, the door suddenly flew open and Katrina Nolan flew into the room, rolled over the bed hiding between the two beds. Another athlete flew into the room when Katrina sat up and let the poor guy have it with her nerf gun. Lots of fun. I will miss the camaraderie, the fun, the competition and Wayne's constant positivity no matter the outcome. The world is a lesser place but I am so grateful to have known Wayne Allen. I return these words so kindly written by Wayne. "You're a legend, you're a fixture, that's one powerful mixture. Like other great coaches, you won't be forgotten." Pat, Braedan, Griffin. Marilyn and I extend our sincerest condolences. Wayne has left so many great memories.

Dear Pat, Braedan and Griffin, our sincere condolences to you on your loss of this wonderful man. He was always so friendly, positive, helpful and supportive. We remember Wayne lending Jake a pair of throwing shoes when he was pursuing discus and asking how he was doing anytime we saw him. We also remember fun hockey time spent your family at the arena and afterwards when Braedan and Jake played together. Hoping all the great memories you shared soon outweigh the aching in your hearts. Love and hugs to you all.

Thinking of my time spent at EDHS with fond memories of the fair, and sports always reminds me of the teachers who made it all possible. Mr. Allen is always one of the teachers at the front of these memories. His smile always bigger than anyone else, his encouraging words always flowing, always ensuring that everyone felt welcome and part of the magic that is EDHS. There is a hole in the community of Elmvale that holds memories now. I am sending many good & loving thoughts to the community at EDHS, to the Allen family, and to Mr. Allen's two boys. Go Pirates, go! I know he will be cheering extra loud for the Pirates as school goes back this September.

Mr. Allen was my Grade 10 Canadian History teacher, and while I did not share his passion for history, I appreciated how enthusiastically he embraced his love for it. For a 15-year-old, he made being a nerd adorable! Mr. Allen had an honest, no BS approach with his students, which I respected. He paid attention, he checked-in, and in doing so, he let you know how much he cared about you. At such a pivotal time in any young person's life, I have always felt grateful that I had Mr. Allen in my corner. My heartfelt condolences to his family. Sincerely, Kelly Thorne

I was saddened and shocked to hear the news of Wayne's passing. In my previous career as a teacher, I was priveleged to work with Wayne at Penetanguishene Secondary School. Although my specialties were Math and Science, I was given two History classes-both of which Wayne was also teaching. He was the most kind and generous person, always offering me his lesson plans and materials. I could not have gotten through that semester without him! We became good friends, and although we went our separate ways, it was always nice to run into Wayne and get updates on his family, whom he obviously loved dearly-he always boasted about his kids, and spoke highly of his wife, Pat. Wayne, you were a very special person and you will be sadly missed. Our thoughts and prayers are with all of Wayne's family at this most difficult time. God bless and our condolences.
