There's always those people who you meet in life willing to go the extra mile for others. That was Linda. I was lucky enough to go to School with Dan from grades 1-12. Linda showed the same love and affection towards her own kids, as she did the Friends of Dan and Chloe. Chloe, Dan and Nic.. try and take some comfort knowing Linda made such a positive impact on so many peoples lives and her spirit will always live on. Love, Stu
