My heart goes out to the whole family for your loss. As a mother, I appreciated Lillian's warm, caring manner when she was principal at Wyevale Central P.S. Later as a friend of Julia, I always enjoyed talking to Lillian whenever I had the chance. She was always so positive and kind. May you all find comfort while thinking of the warm memories you have of your mother/grandmother. Marie Swift

To Lillian’s children and husband, I was shocked and saddened to hear of your mother’s(wife’s) death. I was fortunate to have the opportunity to work with Lillian for several years at Wyevale School. She was a very fun, positive and informative leader. She loved her family and shared many fun stories. We admired her courage and determination to make everyone feel equal. She will be missed by all. I send my deepest condolences and know your mom/wife will live on as you rejoice in so many wonderful memories.. Sincerely Kathy Fairbrother (Gr.1 teacher, back then)

My condolences go out to the Eldridges in the loss of their mother. She was a nice lady I remember when I would come over to see Leanna and her siblings, she was very welcoming and kind. I'm sure Leanna gave her a big welcome and that they are both at peace.

Sending thoughts and prayers.

My prayers, thoughts and my heart are with you all at this very sad time. About 30 years ago I was the supply teacher Lillian would call in when she was off. I watched as the picture of her children on the desk, changed year after year. Of course, never thinking one of those little girls would marry my son. Lillian was a blessing to whoever knew her. God Bless You All.

Lil was a light. She was vibrant and her eyes were so, so kind. She was so fun, and funny. I'll remember her wit, her laugh and her ability to just go with whatever the situation was. She was my best friend's mom and always like a second mom, giving me funny talks about their large family life, which I loved. I will remember her fondly forever in my heart. The world lost a bright light. May you rest easy Lil. Always in the hearts you touched.

Such sad news. I worked with Lillian at Worsely Elementary School. I had been downsized from a library technician position and was trying to get into a school office. She hired me as school secretary when no one else would take a chance. During my time at the school I never heard her raise her voice to any child or staff member. She dealt with everyone the same way…with compassion and humour. At Worsley there was always a line up near the office after recess/lunch and Lillian would work her way through the issues, one by one, she never carried any residual anger or upset from one to another. I used to marvel at her composure. Lillian was so funny, soft spoken and gracious. Mid afternoon she would arrive at my desk with a cup of tea. We would take a few minutes to chat about current events, real estate, medical, money and family. Lillian spoke often of her children, with pride and great love. May she rest in peace.

Such a shock! I'm still trying to come to terms with it. I only knew Lillian for a short period of time. It didn't take me long to realize that she was one of those people that are such a rarity. She was a sweet soul with a naturally kind heart that I will never forget. I wish I'd known her much longer. My deepest condolences to the family, and to all who knew and loved her. Rest in peace, my friend.

Lillian was a good friend.we shared a common love of teaching, especially Special Education. Dennis was also a good friend, and so missed. I loved visiting Lillian’s schools and enjoyed her great sense of humour. She always said.” Let me know when you’re coming, and I’ll put a chicken on.” Such a wonderful lady. She will be missed.
