Grant, Shalaigh, Leanna & families, thinking of you all at this difficult time. It isn't easy to lose a mother, grandmother or great-grandmother but cherish the memories that each of you have ~ they are so special. May she Rest in Peace.

I'm sad for all the kids, grandchildren, sisters and extended family who are feeling the loss of Leona. My heart goes out to you. Leona had a very strong faith in God's promises and looks forward to a time where we will all join her in a perfect sinless world. May it be so.
