I have known Jim for 30 years. Jim and my John started the Rosemary road wine tasting. It was a most popular event. Jim was a good friend to me when John passed away 3 years ago. I will always thank him for that. Rest In Peace, my friend. My condolences to Senta and Hayley and their families.

I am sorry to hear of your loss. Jim and I often had coffee and donuts at Tim Hortons. The last meeting was at the woodworking shop as Jim was making paddles to serve drinks on. Now he is a fond and happy memory. Jim Mulcock

How sorry we are to hear of Jim's sudden passing. We have fond memories of Jim & Dianne, whose warm smiles & laughs were an infectious and welcome addition to our gatherings. After each experiencing their own heart-ache, it was such a pleasure for our group to be part of the genuine happiness they shared with each other. Whether it was a Murder Mystery at New Year's, St. Patrick's celebrations or one of many special occasion events for our group, we all enjoyed Jim's sense of fun, keen interest in others, and happy chuckle. With special thoughts of a very fine man, and sympathy for his loved ones at this sad and difficult time. Wendy & Rob (Orleans, ON)

Jim was truly a great friend. He was a great friend to me and my late wife, Raffaella for over 30 yrs. He was also a great and close friend to our children as well as our extended families. We enjoyed our time together over the years at Deanlea including all the fun wine parties and summer get togethers. He had been gracious with his help over the years in good and challenging times. He showed his kindness and gentle support and was of great comfort to me during my loss. He will be greatly missed and I will forever cherish our friendship and wonderful memories. With sympathy, Rocky
