so sorry to hear of Georges passing. Last I seen him was about a year ago at foodland. George and I worked together and got along great

on the Pipelines when we were near the end of our teen years. . For the past year I have often thought of dropping in to see him but always seem busy which is foolish at our age.

While I didn't know George my entire life (at least I don't remember him from my youth) he is one of the nicest people I ever met. He and Eleanor became regular visitors at mom & dad's once they were all living a floor apart. George was such a great help to mom once she was alone and I'll always be grateful for the friendship they shared. I have missed dropping in to chat during the past couple years, but know I've been thinking of you. As soon as it's safe to visit again, I'll be there.
