

THERESA RETA MAY BALL

Harold, Karen , Danny and families: Our thoughts and prayers are with you at this very difficult time. Aunt Theresa was an amazing woman. I shared so many telephone conversations with your mom over the years. I missed my visits at Hillcrest after the visitation restrictions. My mom and her were very close. Cherish all those wonderful memories of your mom. She will live on forever in these memories. Richard and Marg Maheu (Margie to your mom)

Thinking of you at this time. Aunt Theresa's was always a favourite to go to growing up. With the big hill to roll down, the great glads she grew, strawberries and you never left without being fed. Many great memories from the Hocken reunions with Aunt Theresa and her sisters organizing the day and of course there was always a dance. May all the memories bring a smile to your face during this difficult time.
