

## JANE ANN PAEDEN

My deepest sympathies goes out to Wayne and his children and grandchildren. As well as her siblings Vickie, Nancy and Dan. I know you all had such a special bond as a sister and brother. I remember all the great times that my family and the Cowle family had together. Jane is now at peace and enjoying a beer and laughing with Buck, Linda and Archie ☐

---

My condolences to the Paeden and Cowle families. When you've loved someone for so long, it's so very hard to let them go. Jane always made me laugh - the Tighe kids and the Cowle kids had so much fun camping at Presquille Point. Great childhood memories.

I have worked for many years at Victoria Manor in Lindsay and have known Jane a good many of those years when she worked in the activities department co-ordinating programs for the residents living there. Jane was always a happy energetic person that you could not help but like very much. She will be truly missed and always remembered for her kindness and joyful laughter.. My condolences to her family. Jane had a life well lived
