

LESLIE JNO BAPTISTE

Leslie {our family knew him as "Daddy") was always there for my mother, Hazrah Abdul (miss Dolly) when my father passed away in 2006. Daddy would shovel the snow, mow the lawn and help her around the house and most of all kept her company. Daddy not only did this for my mother but also for many of the other neighbours. I will always remember Daddy for his quiet composure and gentle ways. Rest in Peace Daddy and may the Lord bring comfort to your loved ones for their lost.

Pops you were a one of a kind man and we had the privilege of living next door to you and your family for many years. You were always cheerful and pleasant to talk to and you were always willing to lend a hand. I'll always cherish the memories with you. You were a great man. My sincere sympathies Bev & Rob on the loss of your dad. Keeping you all in my thoughts.
