Dear Nelson, how sad I feel, knowing Irene has passed. I had such fun with her when I lived in Elmvale, such a short time ago. My condolences. Angela, Melanie and Penny. Who ever has those black beads, hang on to them tonight and say hello to Mom and Margaret. I'm sure they have found one another by now and are planning something hilarious. She was a wonderful friend. Love her forever. Sincerely Joan

March 1, 2022

So sorry to hear about Irene. We had some good times with her and Ross. We loved the auction sales, garage sales and house hunting. Lots of fun with home made ice cream and coffee on the deck. She was so proud of you girls.

Penny, Angela, Melanie and..Tammy. We are so sorry to hear of Irene's passing. I first knew Irene as a pupil at Hillsdale Public School, but came to know her on a more personal level, through our friendship with Penny and Taras. She will be remembered by the community she was so much a part of. Our deepest condolences.

March 3, 2022

Mrs. Whetham was such a wonderful woman. I have fond memories of her at Hillsdale school. I was the phone monitor when she took her lunch. She was so kind to me and taught me how to properly answer phones and office etiquette. She even showed me how she made the newsletter and as a 12 year old, I thought that was pretty cool. I have taken what she taught me into my life and think of her all of the time when doing things in my job. My condolences to her family. She was so sweet.

March 3, 2022

I am so sorry to hear of your loss. I have thought of Mrs Whetham numerous times over the years. I attended Hillsdale public school from 1975-82. She was a great woman and always kind to all of the kids at school. My deepest sympathies to you and your family.

Although we lost touch when Irene moved to Barrie and we moved west to Kelowna, B.C., I often think of our fun days together at Hillsdale Elementary School and visits when we were neighbours in Elmvale. Irene's sherry cake recipe is a favourite still in my recipe box! Our sincere condolences to the family.
