

## **Butch (Alfred) WELLER**

Butch was a good friend and cousin. He , with Lorry, were always open to have us at their home. Butch helped us many times with getting our boat . My thoughts of Butch were kindness , family importance and humour. Take care Lorry

We are so very sorry to hear about Butch passing. Unfortunately we didn't hear about it until today and were'nt able to attend to convey our sympathy in person. It's been many years since Art and Butch worked together but he remembers them very fondly as I remember lots of joking around with Butch while shopping at the old IGA . Always a smile on his face. A great guy. With our deepest sympathy, Art and Brenda Sigouin
