

ROBERT WILLIAM McCLELLAN

to the McClellan family, I was a friend of Bob's over 30 years ago. While we lost touch some time ago, his friendship at that time was something many of us could count on. Cruises to Wasaga, Dusk to dawn at the drive-in, Friday night hockey games in Angus, or the summer ball at Dr. J's and ball hockey. You have my deepest heartfelt condolences and sympathy for your loss. His memory lives in our hearts.
