I went to HCES. Ms. Embro was an amazing librarian. I helped out in the library during my lunch and recess times. She would tell us some interesting stories and jokes. It was a blast hanging with her. RIP Ms. Embro. Sending my condolences to family. Colleen Bunker (Coulter)

Dear Bryan, Kristen and Jennifer. Please accept my sincere condolences on your loss. I met Linda through our shared interest in quilts and hats and working to help those who needed a hand up. Our conversations wound through many topics and Linda always shared "a book you need to read" And her joy in life was contagious. As she was a blessing to you in her life, may her memory continue to be a blessing to you. I will miss her dearly at the next craft show. and will read a good book in her honour.

Dear Kristin, Jenny and Brian. I am so sorry for the lost of Ms. Embro. I remember her from my days at Parkview. She made everything in the library fun and helped encourage my love of reading. Even 20 + years later I would run into her and she always remembered my name and took an interest of what was going on with my life. Her energy and smile will be missed

Sending heartfelt condolences to all Linda's family and friends. I knew Linda when I too was a teacher-librarian. We shared the love of books and had many laughs. I especially remember going to buy shoes together. She had the sales person laughing so hard when she described her shoes as like a skii. She said they had to be very long and very narrow. Hugs and much love to all. I am so sad to learn of this news.

I was so saddened to hear of Linda's illness and passing and my condolences ' to Bryan, Kristin, Jenny and other family members. It was an honour to have been able to teach with Linda and to know her as a friend. She always had time to listen to others and to share her expertise as a teacher/librarian. Linda touched the hearts of many people with her exuberance and love of life. May you keep the angels laughing. Rest in Peace.

My deepest sympathy to Linda's family. She was a great friend from the days of the youth group at St. Peter's Church in London as teens, our camping trip to the Maritimes in our early 20s and up to her recent visit in Ottawa. I am so glad she passed through my life. She brightened up the world and I will miss her very much. May she rest in peace.

My sincere condolences. I am just learning of Linda's passing but was always delighted by her visits when she came to order labels for her clothes. She was a spitfire and so full of energy! I am so sad to hear she has passed. The world will be less without her in it.
