Good morning Glen. You were all in my thoughts and prayers yesterday. I was hoping to come to the funeral but I had come in contact with the stomach flu and certainly did not want to spread it. A hard day for everyone I’m sure. I am sure your Mom had a beautiful send-off and felt the love of those around her. Happy too, to be back in the arms of your Dad once again. Our Dad is in Prospect Cemetery as well. Please give Yvonne, Ricky, Carl and Robbie a big hug. You were all such a big part of our childhood of which we all have fond memories.

Our Darling Son Michael : With a very heavy heart and deepest sympathy we are sending this message for the sad demise of your grandmother. We know how hard it must be on your whole family to bear this loss. Please rest assured that your grandmom's soul has returned back to it's original home from this temporary worldly home. This is where all the souls belong. You all are in our prayers to GOD ALMIGHTY to grant her soul eternal peace in the highest Heaven. May HE also grant you all the strength to bear this sad loss. You will be in our thoughts and prayers. God Bless you all. Please convey our sympathy to all your family. Meher, Jal and the entire Panthaky Family She is only away In your thoughts and your heart you are always together, never apart; In your sorrow, remember “ She is only away …. Though she may not be with you The memories stay …. ….. and in time, when the hurt Isn’t too much to bear, Whenever you look in your heart She’ll be there.
