So sorry to hear of the passing of Lloyd. I will always remember the fun times at Aunt Lorna and Uncle John's and the prankster he was. The jokes he and Aunt Maxine used to do to each other!! Thoughts and prayers are with you all.

I was saddened to hear of Lloyds's passing. I remember the good times when we were so young and happy and the laughs in Lorna's kitchen. My heart goes out to his partner Pat and his family. RIP Lloyd.
