Dear Faye, Angie, Jason and Family: Words cannot adequately express how sorry I was to hear about the loss of Mike. He was a very special human whose calm, compassionate, community minded ways, anchored and always impacted every sphere he encountered. We did many services together over the years. One of my favourite memories is when I was singing at a service while I was on mat leave and no one could keep my son, so I took him with me to the funeral home. I was just hoping he wouldn't start to cry when I was singing. As it happened, he fell asleep in the car so Mike told me just to leave him in his stroller by the office. Eric didn't make a peep, but when I came out of the service, I understood why. Mike was wheeling him all over the entryway and entertaining him. Mike always did what made our lives better. Thank you for sharing him with us. May your memories be a comfort to you during this time of grief. Sincerely, Karen
