Though I haven't seen Jill in person in years, I hold my memories of our times together as children fondly. She was my slightly older, much cooler cousin. (Travelling the world on a cruise ship?!? So cool.) It was always a special time when we got to be with Becky, Jill and Aunt Lynn. My heart breaks for you. Words can't express my deep felt condolences to you and to Max. Know you are never far from my thoughts at this time. Love, Letitia

Dear Lynn. I can't even imagine the depth of your grief over the loss of your beautiful daughter . I just remember her as a lovely chubby cheeked little baby. Our children really are the best part of us. Thinking of you.

I must begin by extending my sincerest and deepest condolences to Jillian's family, but more so, to her dear son Max. I was introduced to Jillian by my sister in law Sharon who unquestionably was Jillian's most dearest friend and Max's God Mummy. I got to know Jillian and her family when she was expecting Max. Making big decisions and big moves in her life. She was such a force to be reckoned with. I knew Jillian to be determined, independent, and bold! She without a doubt was sassy, compassionate and most importantly.... she was authentic! Forever in my prayers.... Never Forgotten....

I entered Jill's life when she was 2 years of age as a neighbour and baby sitter. Older sister Becky always protected Jill and helped her along the way. Eventually, both girls grew to be wonderful young women and went out to begin adventures on their own. Jill continued

to be an adventurous, amazing woman that travelled the world and continued to make everyone around her smile. Jill was an amazing sister, aunt, daughter, friend and employee. However, the best job that Jill had and the one that she treasured the most was being a mother. She loved Max to the moon and back and she will always continue to be the bright star that watches out for Max as he continues to grow. My heartfelt love and strength is with Max, Lynn, Becky, Mike, Bryson and Sophie. Love, Heather and family.

I am just seeing this now. Almost a month later and I didn't get to say goodbye to my friend. I noticed the heart emojis stopped on my facebook and went to her page. I am so sorry for your loss and for not being present to celebrate her life. She was very special to me. Love you Jillian xoxo
