

LORNA MARION WEBB

We are very sad to hear of Lorna's passing. She was a wonderful lady and we always enjoyed her chats and friendly bantering when we dropped by her neighbourhood. She had a great laugh and smile to go with it. Her gardens were always a delight to see. You could count on some horticulture advice or she'd share a plant clipping. Her involvement in the Wyevale community was always appreciated and respected. Our condolences to the family. RIP Mrs. Webb.

Dear Peter, Marion and Margaret my heartfelt condolences to you all on the passing of your dear Mom. She was a beloved life long friend to my late Aunt Lillian Maxwell (nee Brock). I always teased her about flying 1000s of mles to buy her Christmas pudding.

So sorry to hear of Lorna's passing....she will be missed. Lorna was always the first person that we would go to if we needed help or advice. She was known as the "second mother, in command". She will be missed by many.....so many good memories!!! With deepest sympathy to all.

Mrs. Webb was one of the nicest people you will ever meet. She was one of my wife Gwen's best gardening friends and was a real help to her. My boys, Jeremy and Austin helped her out at her house and they thought she was the kindest lady. She will be greatly missed. Our sincere condolences to the Webb family.

So sorry to read the news of Lorna's passing. She was one special lady...I remember her hunting me down at Dad's funeral/reception at the fire hall...just to check how I was doing & catch up with me. So many great memories of a great lady.
