From the day I met Spencer, I was instantly welcomed with love and with no worries. Playing video games with him on a nightly basis to having fires with and Vic, I grew to know how loving he was to everyone and how much he enjoyed life. With my big move to British Columbia, spencer not only encouraged me, but also helped me get over my fear of trying new things. Rest easy spenny my friend and I hope you’re doing burnouts and enjoying games up there in peace. My thoughts and prayers go out to the Blanchard family♥

I’m so sorry. Spencer was great. In every sense. I remember years ago playing hockey after exams at the outdoor hockey rink and he would be doing something goofy just to make us all laugh. Or the countless nights we would play Xbox and laugh the entire time Spencer was great. He was a light not only to me, but to many. I miss him already
