We wish to extend our condolences to Don and his family on the passing of Thelma. Don and Thelma made an awesome couple and he will be heart-broken without her. My parents, Joe and Betty, enjoyed getting together with the Bertrams and always felt welcome in their

Thelma became a very special part of the Bertram family. We will miss her smiling face and pleasant conversations. I know She loved visiting many of the Bertram gatherings and was a great card partner. Even if the deck of cards and their numbers had two get bigger over the years she still enjoyed being able to play. I think she maybe also might have enjoyed the odd sequence game too. We were fortunate to have had her join our extended family and know how special of a place she held in Uncle Dons heart. Our thoughts are with everyone, sending love.

Sending love to you and the family, Uncle Don. Thelma is in my Bertram family memories almost as far back as I can remember. I know Nelson and Ruth will have her dealt in for a game of cards already. Big hugs to you all.
