Rollie was such an amazing person. Someone who treasured and lit up as she would talk about any of her children, grandchildren, great grandchildren. She appreciated each one for their uniqueness. She made all the kids like myself who would hang around the wonderful Stephens home growing up feel welcome and special. This summer she made Irene and I breakfast and sent me home with her home made jam after wonderful conversation, reminscing and being introduced to all the wonderful faces proudly displayed on her fridge. She will be very missed by so many! Thinking of you all and sending prayers and love.
