Condolences to Joanne and Bruce and your family on the passing of Earl. As you know your dad was my detachment commander in Winchester from 1975 to 1978. Earl and Marg were a big part of Winchester busy with their Church amongst other things. They were always at the hockey games watching Bruce play. I coached Bruce for 2 years and Earl always made sure I was there to coach even if I was working the afternoon shift. Your family and friends should know that when Earl was promoted to Sergeant and transferred to

Elmvale in 1978, close to 900 people attended the transfer party at the Winchester arena to say thanks and best wishes.

Earl was a Life Member of the Ontario Provincial Police Veteran's Association and was the oldest living member of the OPP upon his passing. He is remembered fondly by retired OPP officers for his dedication to his community and to the police service. On behalf of the over 400 members of Chapter 18 of the OPP Veteran's Association we offer our condolences to his family and friends. A memorial donation has been made in Earl's memory to the OPP Youth Foundation.

Dear Joanne & John, I am so sorry to hear of Earl's passing. Your dad was a very special man. His kindness and genuine smile are two of his many attribute's that come to mind when I think of him. Of course he and Rowan shared their birthday and I remember mom having your dad over for his birthday and us dropping in to wish him best wishes. He is man that lead his life in such an honourable fashion and one we all should try to follow. May your hearts be full of blessed memories of him.
