We are very sorry to hear of your loss. Ken was a real gentleman and we hope he is now reunited in heaven with his love Joanne and at peace in a better world. Xxx

Just became aware of Ken's passing. We are very sorry to hear this. He was our go-to roofing contact over the years in Bradford and Wasaga Beach. We first met Joanne and Ken in a parent/teacher setting for daughter Pamela. Our condolences to the family. Sincerely,  
Sandy and Jim Skerratt
