Norm, Tammy, Mike, Rick and family When I think of Carol, I will remember her telling me of all the sporting events her kids and later the grandkids were in, no matter what season. She so loved her family. Being from that Ord family myself, we had a lot of laughs over

the years and tears too. She was a lovely lady who will now be reunited with the family that went before her, laughing that laugh and smiling that smile, still cheering us on! She will be missed for sure.
