

DOREEN MARIE GENTLE

Hedy and I send our deepest condolences to the Gentle and Leystra families. Our thoughts are with you all. I first met Mrs. Gentle in the late 1960's. I was in my teens and had met Craig in high school. After spending time at the Gentle house on Amberley Drive she quickly became "Mom" Gentle to me and she referred to me as her second son. Over the years there were many family get togethers (in Florida, Orr Lake and elsewhere) that I was so fortunate to be included in. Both Mom and Ron always made me feel at home, no matter where we saw each other. I was so fortunate to have such a gracious and welcoming lady in my life. She will be dearly missed. Scott and Hedy

Dear Rhonda and Craig, Your dear Mother lived a long and productive life. Imagine her living to meet 16 great grandchildren. What a legacy! My sympathy to your families as you send her to her final rest.
