Sincere sympathy. I worked with Jane at Paramed and appreciated her knowledge and thoughtfulness. As a young person we attended the same church (Dutch Reformed) and knew the family. Unfortunately I will not be attending in person as I am having a hip replacement on Oct 5 but my thoughts will be with all the family. Siske Pratt

Pat and family, it has taken me a few days to write this condolence message. Jane was by far one of the best nursing mentors, friend and person. I was so very fortunate to start my nursing career with Jane as a coworker. She taught me many things, but to say she was valued in her nursing career is an understatement. She by far went above and beyond providing exemplary care. Although we may have lost touch as our career paths took different direction, she will forever be one of my favourite people. May she rest in peace, and may all of you hold her close to your hearts, knowing how she loved each of you deeply and that she has touched many lives with compassion and care.
