JILL NORTHEY

Jill was such a treasured part of my family's life over the years in piano and voice lessons (the Henry era- I remember him well), Huronia Children's Chorus, Huronia Choristers, and "In Four" (some may recall). We were so lucky to have this treasure in Elmvale. Her legacy lives on in the love of music she instilled in my children which is now being passed on to my grandchildren. Rest in Peace Jill.

Elmvale is blessed to have had a woman of the caliber of Jill ... to share the love of music and culture with a generation of children... including my own. I can hear her laugh now... as she said "now, Henry"... and tapped the beat with her toe... and ran her fingers along the keys. Sad to say... I waited too long to catch up with her... and now... until heaven, my friend.

Very saddened to hear of Ms. Northey's passing. As one of her piano students for a decade, she spent countless hours sharing her knowledge and passion with me. She was a truly special person who cared for her students as if we were her own children. She balanced high expectations and fun exceptionally. Ms. Northey was truly one-of-a-kind and will be deeply missed by the Elmvale and music communities.

Jill lived life with joy, and will be missed. She always took any opportunity to admire her students.

As my daughters vocal, theory and piano teacher for many years, Jill was patient, kind and super supportive. We are blessed to have crossed paths with the finest teacher one could ask for and are so saddened that her illness compromised her life, and the things she loved to do. Thank you Jill. for giving our family so much joy.

Dear Northey Family, I had not heard until now about the loss of "Miss Northey". I was fortunate enough to be part of the Huronia Children's Choir and all these years later, I still remember her as a wonderful teacher who made music fun. I am so sorry for your loss and will keep you in my prayers.

Ms.Northey was my piano teacher for many years. She taught me the importance of discipline and professionalism which later helped me through long and tedious years of studying at university. I've also come to appreciate the importance of eccentric humans in this world. Ms.Northey was one of these such characters who allows us all to be a bit more unconventional and creative in the paths that we take in life. I'm forever in her debt but happy to know that her influence on so many students of music continues to flourish today.
