

CLAIR RICHARD MOREAU

I am sorry for your loss. He was a fun uncle. It was his drivers licence that I used to get into the Brookdale Inn my first time.

Before I say another word I want to send my condolences to Earleen, Stephen, Nicole and Brian. I just want to say that the three years I spent living with you five, was the best time of my life. I loved you then for the kindness and love you shared with me when I went to school in Barrie. All the good memories we made together I will always treasure. The fun we had, the laughs and teasing and the tears when I finally left. I loved how Chick took all my teasing when it came to the teapot incident, the Christmas tree incident and all those Barrie Burgers I consumed through trickery Chick always acted tough but inside he was a gentle kind cream puff. I loved him like a big brother and will cherish how he welcomed me into his family and made me feel less homesick. Although I haven't seen my Moreau family in many years I love you just as much as I did all those years ago. Think of all the good times you shared with him and with each other. All my love to The Teapot Breaker and his beautiful family. Love Always Vanity!!!
