

JOHN ROBERT MARTIN

my deepest condolence to u & our family. The door never closes to all our memories.

It has been many years since seeing John, but I have fond memories of him at school, always a gentleman and very nice to everyone. John was one of my first friends up in Halls Lake, Ontario - we were so young and life was fun. Condolences to family and friends.

My Condolences to his Wife and stepson . John was a great Man. John and I grew up with Muscular Dystrophy. We would talk about wheelchairs what was the best one to help us. We fought real hard with a muscle disease that takes the strength from us. John you will be missed my Friend may you Rest in peace
