Aunt Bunny was a devoted to her gardens. If you happen to be coming up the 5th concession during the summer you would be sure to see her caring for her garden. I Still picture her coming across the road with her big smile pushing her wheel barrel full of cuttings for our garden. Roz, Katie and Sandy I'm so sorry for your loss. Aunt Bunny was someone I remember fondly growing up. She loved her flowers and was always smiling and telling stories and I liked our visits with her to the farm on the 6th. She was sure proud of you all and was always talking about you. She will be happy to be back with Uncle Warren, I'm sure and together they'll be watching over you. Uncle Warren with his funny grin and Aunt Bunny with her big smile.
