I see trees of green Red roses too I see them bloom For me and you And I think to myself What a wonderful world I see skies of blue And clouds of white The bright blessed day The dark sacred night And I think to myself What a wonderful world The colors of the rainbow So pretty in the sky Are also on the faces Of people going by I see friends shaking hands Saying, "How do you do?" They're really saying I love you I hear babies cry I watch them grow They'll learn much more Than I'll ever know And I think to myself What a wonderful world Yes, I think to myself What a wonderful world We all have fond memories of waking up to this beautiful song while camping at the pit thanks to Bill. Whenever we hear it we will think of him. Our deepest sympathies Charlie, Tanya, Rowan, Owen, Nevin & Tye
