Dear Leanne, Ryan, Adam and the Daniel's families, It is with heartfelt heartache we learned of Rob's passing. Our deepest sympathy to you Leanne, and to your boys; their spouses and your grandkids, and all of his family members, and friends. Rob was a treasure to all who knew him; he was the first to lend a hand or offer assistance to anyone in need, and he did it all with humour and a generous spirit. We were lucky to have known him and his family, and we are thankful to have enjoyed so many happy times and memories together. From those early years of at the city, to retirements, our lives were all woven together and richer for having known him, and all of you. We have you in our hearts and prayers. With Love and Sympathy, Phil, Kim and family

Leanne, Ryan and Adam; I am so sorry to hear the news. Rob was an amazing person. I am honoured I got to know Rob over the years,

but also to spend time with you Leanne and the boys was truly amazing. I always appreciated how loving and warm your home was. Rob's love for you and the boys radiated from him. I loved his sense of humour, especially when my dad was there. Hearing the small chuckles turn into a louder laughter always brought a smile to my face. Rob helped me out so much patching together whatever hand me down vehicle I was driving, I'll never forget that. And once I had something more reliable, it was great to just pop over, have a beer and catch up in the kitchen at browns. I will cherish those memories. Thank you for making me feel welcomed. The loved you shared will remain. Thinking of you during this impossible time. Lots of love Laura, Jay and Roman Martz.
