

ROBERT MICHAEL NATUCK

Jackie and Family, My deepest condolences on the loss of Bob. What sad news to see in the Star this morning. Bob was my first manager when I worked as a summer student at Ross Wemp Motors in New Toronto back in the early sixties. I worked for him part time for 5 years and he was always patient and kind and a true gentleman. Through mutual friends here in Largo, Florida, Wayne and Betty McPherson, I reconnected with Bob and you a few years ago when we visited your home in Florida. It was wonderful to him again and relive old times. Once again, my sympathies to you and I hope that your countless memories of Bob over the years will be of comfort. If it is not too much to ask, would you let me know when the memorial service will be in the spring as I would like to attend. I have let Betty and Wayne know of Bob's passing.
