Although we have not had the privilege of meeting Tom in person we have felt his influence on our lives, particularly through Justin and Angela. One life can impact so many others and we are grateful to God for Tom's life and the legacy he leaves behind. Our hearts break along with yours during this difficult time of loss and yet we also celebrate God's grace and victory in Tom's life. We pray that the Lord may comfort the entire family with His peace and that we may all share in Tom's well-founded hope to live forever in the glorious presence of the Lord Jesus.

Hi Vivien, I just logged into the email @ 3:22 this afternoon Saturday and discovered your note regarding Tom. We wish to express our condolences and to offer any support that we can. I have been home for the last week with a serious flu and infections in both eyes and would not have been able to attend today anyway. I do remember the times that we had dinner at the Midhurst United and also the time that the four of us went to a concert in Orillia. I also remember Tom's passionate discussion with me regarding fishing and tournaments. He lived well with you.
