

## WINIFRED VICKERS FEARMAN

Dear Fearman Family, So sorry to hear of your loss. Winifred was a gracious lady. Each time I had the pleasure of visiting with her, I thoroughly enjoyed being in her company. So glad to have spent time with her at Kelly & Cole's wedding. She will be missed. Our thoughts are with you. Love, Marsha & George

Aunt Winifred was always a very special aunt to me. I always looked forward to seeing her whether it was at our house, snowmobiling, Honey Harbour, walking down below the brow or at a family gathering. She had such a lovely disposition that it was always a pleasure to be around her. Aunt Winnie, Uncle Doug and my parents (Bill and Joan Black) had an amazing bond between them. They travelled to Europe. Uncle Doug and my Dad were the best of friends. This is the end of an era with the passing of Winifred. She will be incredibly missed and she will be at peace. With love from Barb, Steve, Laura and Peter

My sincere sympathy and love to all the Fearman family. I'm sure you 'll all have many wonderful memories of Winifred to bring you comfort in the days to come. She left me many memories of good times we shared and the trips we took together, as well as the l-o-n-g

phone conversations we had every week! With love, Shirley

There is no measure to reflect the affect a good mother has upon our lives; neither is there a measure to determine the hole they leave behind when they pass on.

*Dave Smith and Joanne Collins*

Hello Freeman Family Condolences on your loss of Winifred. I was out walking my Dog in our favorite walking place, 777 York Cemetary, when I heard the Pipes. The sound I had to follow as they are in my heart. I saw that he was part of a service so I respected your privacy and kept my distance but close enough to hear the Pipes ;-)) That Cemetary is a place me and my Dog Gonzo go often where I find we can walk in great peace and can reflect on the loved ones I have lost as well. The addition of the Piper that day for me was Magical. The Argyles are near and dear to me as well. I am a photographer and took some nice shots of your Piper the grounds and the site after you all left, none of the family at all, I did not want to intrude. You can find them on my Facebook page, feel free to save copy print and do whatever you wish with them. <https://www.facebook.com/laura.lawson.7315> I also did quite a lot of Photography in the past of the Argyles and Nathan Cerillos Memorial etc you will find in my albums If you are interested in having better quality copies of anything please just e mail me and we can work something out, Peace

*Laura*
