

DOROTHY VIOLET GRUNDON

I am so saddened to learn of Dorothy's sudden passing. She was a great person, lovely neighbour and I know she will be sorely missed by all who knew her, especially Betty and May.

Lori-Ann & Brian we are so sorry for your loss! Dorothy will be missed by so many because she was an amazing lady, but none more than Betty. They were like sisters & always up to mischief together. We have so many memories of Dorothy & Bob, all with lots of fun & laughter. Deepest sympathy to all your family. XO

Dear Lori-Ann and family: I was shocked to hear of the passing of your mother. My mother, Maureen Martin and her were good friends until my mother passed away in 1999. My boys and I dropped in to see your mom last year and had a lovely visit. She recently sent me a picture she found that my son, Jackson, had drawn when he was about 3 years old. She had kept it nearly 20 years. Jackson called her Dorfy when he was young and we would affectionately still call her that when referring to her. She always spoke so proudly of you, your daughters and her little great grandson. She will be missed. Mary Martin
