Such a wonderful lady, so kind, she always had something nice to say. She took pride in her work and always had a smile on her face and time to lend a hand. I will always remember Marg as a happy loving person who was kind to everyone. So fortunate I have been to have worked with her. I am so sorry for your loss. She will always be fondly remembered.

It is with great sadness that I write this to Marg's family. I have just found out about her passing this evening. I worked with Marg on 2 North at GBGH. Marg helped and cared for everyone on 2 North. This included the staff, the patients and there families. Marg was a true asset to our unit. I feel very fortunate to have known her and work with her.

I also worked with Marg... Her and I would always bump into each other in the halls and elevator. She would tell me stories of her children and grandchildren that she loved so much! She had a great heart and always a smile and I loved chatting with her! You will be missed! xo

I was very sorry to read about Marg's death in the Springwater News. She was very kind to us when we lived on the 17th concession. I remember when she made two cushions as a gift for Tim. He was touched. I was pleased to read about all of her grandchildren and great grandchildren. She was rich in having so much family to care for.
