Luc and Leona were the sweetest patients. I first met them at Dr Donald's office when I started in 2000. Leona always greeted me with a large smile . I always enjoyed seeing her when she visited and I am so sorry for your loss. I have fond memories of both Leona and Luc. They are together again. My deepest condolences to the family.

Aunt Leona will always be remembered as a humble,resilient woman who was always so very kind. Her oldest sister Velma (my Grandmother) and Leona resembled each other not only in looks but also in mannerism and personality. We all loved your mom! Condolences to Joyce,Linda,Annette,Bonnie,Sandra,Nelson.Gary, and families.

I would like to offer our condolences to the family. Little did I realize the connections I had when I was going up as to the people I grew up around as a child spending many summers on our grandparents farm, Bill & Ada Searl. Also to Joyce, I am so sorry to see that your husband Bill has passed. Bill meant a lot to me when I was growing up. I am so sorry that we didn't keep in touch. As a fond memory of a song that Glen Campbell sang, It was called "A Hall of Fame for Mommas". Give it a listen. Thoughts to the family. Ron Brown

Joyce, Linda, Nelson, Annette, Bonnie, Gary, Sandra and families. I was so sorry to hear of Aunt Leona's passing. The last Aunt in the Hocken family. She was such a sweet, happy ladyquiet with that "teenage" giggle, infectious smile and a big loving heart. I enjoyed our many phone calls immensely, especially after my mother passed. She was loved by all who knew her. She will be with you always with all the wonderful memories you have made over the years. Lots of love to her family. Marg and Richard Maheu
