My heart breaks for all of you. Glenn was such a sweetheart, and I can only imagine how much you'll miss him. Kitty, Glenn couldn't possibly have had a more loving and caring wife. I know he meant the world to you, and you to him. Please don't hesitate to call me at any time if you want some company. All our love, Adrienne, Trevor, Keegan & Aislinn xoxo

Kitty, we're so sorry to hear of Glenn's passing. I have fond memories of get togethers with you and Glenn and my parents. There was always laughter and good food. We both remember the kindness shown to us at the time of our wedding, when you invited Julian and his best man to stay at your home. Our thoughts and prayers are with you and your family .
