

JOSEPH CYPRIEN "CY" BLAIS

Sorry to read of Cy's passing, we were friends many years ago while working at Radio Shack. Condolences to the family.

I have had the pleasure of meeting Cy when I started working at the dealership where his, Son in Law Gary works, I always enjoyed our little chats when he would call in, also living in Elmvale he would stop by the ball diamond where my husband and I would play and come and watch some of our games. He was such a nice man and will be greatly missed. Our thoughts go out to Marianne, Gary, the kids and of course the rest of the family. Cherish all of the great memories
