

JEAN GRIGG

I am so sorry for your loss, yet so glad this final journey for Aunt Jean is over. She was so well taken care of by Pat and Sharon, an example of selflessness for all of us. You still took her to the cottage and home for holiday celebrations, even when it meant no rest. She was treasured by her family and will be missed.

We are thinking of you, Pat and Sharon , now that your most loved Aunt Jean has passed on. It has been a long journey that she travelled , always with her nieces at her side. God bless you for the steady constant and loving support you have given to her these last years. Keep the happy memories in your hearts and know that Auntie Jean is resting in peace. Our sincere condolences in the passing of this gracious lady. Mom and I visited Jean in Stratford many years ago and Mom (Phyllis) has such fond memories of her cousins Gladys and Jean as she was growing up. Cherish the happy memories.
