My Family sends our deepest condolences on the loss of Peter. I will always remember his positive, cheerful and good natured outlook on life. His Family and community were so important to him. You could tell by the way he talked about them and how proud he was of them. "No lead is safe" was one of Peter's favorite sayings at hockey. Whether he won or lost the game he was always the same. Those of us that were grumbling about the game only had to watch Peter to see what was important in life. Not a win or a loss, but just that we spent time together doing what we enjoyed with our buds.. Pete, you were and are an inspiration to all. You will be the Lord's number 1 Goalie!

Never have I realized how precious every day is before this untimely death of Peter. Too young to be taken and he will miss all the important future family events. He was such an easy going likeable person and so difficult to realize he won't be that bright shining face wherever he is. The Cowden family goes back many years of friendship with the Robinson's, so our heartfelt sympathy goes out to all of Peter's family. Pat Cowden

Dear Ailsa, Kyla, and Charlie and all of Peter's beloved family members: I'm grateful for the swiftness of the internet and Unity's prayer pages that I continue to receive that brought me this news yesterday. It allowed me to reach out I prayer to a family that was and is a part of some of the happiest times of my life. Working with Peter on Sunday School development, chatting about our kids over the years, church potlucks. Christmas at Unity: all of these things will be so different without Peter's presence. Know that you are being held by many at this challenging time. Lean when you need to. I continue to hold all of you in my prayers.

Peter was deeply loved by his family (Joan) and I know our entire community is going to miss him. I'm sorry to see him gone but so excited knowing he's dancing and singing today in Glory. Hold on to your cherished memories and rest assured that God's timing is always perfect. Prov 3:5-6.

This is a sad time for so many people. Peter touched so many lives with his infectious laugh and never ending sense of humour. I played hockey with and against him in the Men's League. I scored a goal on ni, in one game and skated by him with my arms up and Jokingly said "that;s # 1000 Pete". He quickly responded with a big smile on his face and said "Glad I could help Rammy". When I was on his team for 2 years we had a ball reminiscing about all the old TV comedy shows and he used to recite the verses from "The Champ" from the radio. He knew them all as if he had written them. Like everyone else I am going to miss him. He won't be forgotten in our Coldwater hockey world. My sincerest condolences to Janie, Paul, Alisa and the rest of his family. Unfortunately I will not be able to attend tomorrow but my thoughts will be on Peter. Cheers Buddy

Peter & I are known as Coldwater arena goalies. I have been playing hockey in Coldwater for 48 years & I only had the honour of playing on the same team once in 1977 on the Rep Midget team. To this day it was the best team that I have EVER played on & our team photo is proudly displayed in the Coldwater rink. For the last 15 years Pete & I always "joked" that I took him under my wing back then since I was the veteran (1 year older) & we shook hands after our oldtimer's game he would say nice game old veteran & I would reply "nice game rookie". He was known as the "FUN GOALIE" in our league - Peter didn't care whether he won or lost - just gave him a 7 goal lead & he would promise you a tie he would say. I always made an effort to drop into his dressing room before or after our game to say hi - since he always had a huge smile on his face. Peter you will be missed by all of your family, friends & fellow hockey players. RIP my "friend"

Thank you for hosting such a beautiful, joyful and touching celebration of life yesterday. Your strength and poise carried me through my grief to the happy memories that I will always cherish of Pete. I am glad that you got to witness the child'-like joy that we shared with Pete on our Tuesday Night curling team. I am really going to miss him. Love Mike

Nikki and I send our deepest condolences to the Robinson family and Ailsa, Charlie and Kyla. Peter was larger than life and there are so many great stories that come to mind but there is one in particular that was a funny and everlasting memory. Peter and I were helping with the pie auction at the Vasey church and it was always a treat for everyone to hear Peter as an auctioneer, it was amazing! I was the Vanna White to his Pat Sajak, presenting the pies and showing them off for the crowd! The next pie to be auctioned was a lemon meringue pie to which I announced it as a "Lemon Margarine Pie." Peter laughed and announced to the crowd that it was a Lemon Margarine Pie which drew a roar of laughter from the crowd. He then said that the pie was in fact a lemon meringue pie and we moved on. Peter just had the ability to make everyone around him laugh and everyone will be doing so for many, many years. Next time we have a Lemon Margarine Pie...oops sorry, Meringue pie, we'll most definitely think of him!

Aiilsa, my heart goes out to you, and all the Robinson and Malcolm families. I have known Jill and Janie since highschool, but didn't get to know Peter until I took over the VIX choir. I know I will miss looking out and seeing his face alight as he pretended to " know" his music! And he would laugh when I called him on it. He was a joy to be around, and so kind to new singers and his buddies in the tenor section. He will be missed by all of us at VOX. I hope healing and peace find you, and your wonderful years of memories bring you joy once the shock and sadness have lessened. God Bless You, and you children.

I worked with Peter for some years, and the great thing about is when talking with him, it didn't seem like work. The actual labour was always greased with a laugh or three. I can still hear him, and I hope to carry that with me moving forward.
