Please accept my sincerest sympathy for your loss. Ross and I worked together for over 20 years when I was with CMHC. Ross was a kind man with a great sense of humour and I considered him a friend as well as colleague. He was a great lawyer and always "my go to guy". He always made time to speak with me when I called or to see me if I was in Midland. Although we lost touch when I changed employers, I thought of him often and once in a while I saw him at Barrie Colts games. He will be greatly missed.

We only heard of Ross's death today and wanted to tell you how very sorry we are. He was an old friend of our parents, Margaret and Frank Harmsworth and was most helpful to us when they each passed. We did not realize that he was so ill, and would like you to know that we have made a donation to GBGH in his memory. Valerie Harmsworth and Lynne Lorette

I am very saddened with this news. Ross helped me and my family immeasurably with the sale of our cottage. I always liked seeing Ross and he clearly solved any problems (which were numerous) that our family had with our property. He was a very good man and was always excellent with me. I am very sad with this news.
