Gary, words cannot express our sorrow. You and Elsie have a special bond that will remain unbroken, and should you forget she will find a way to remind you. We know Jethro will look after you.

Gary, Elsie fought a long and hard battle. She wanted to get home to you and Jethro, to enjoy her home at Woodland Beach. God had a plan, he needed another angel. May she be at peace. As she said love unconditionally. Love Lyn

Gary, Elsie will be in our hearts forever. She brought so many gifts to our lives and was like family to us. She will be deeply missed. The tide recedes but leaves behind bright sea shells on the sand. The sun goes down, but the gentle warmth of the sun lingers on. The music stops, and yet it echoes on in sweet refrains.... For every joy that passes, something beautiful remains. May your heart & soul find peace and comfort during this challenging time. Love, Tim, Jenn, & Sydney xoxo
