I'm so sorry to hear of your Mom's passing. I have great memories of your Mom & Dad and of growing up in suburbia. All the crazy parties whether they were planned or spur of the moment, they always had a great time. My Mom & Dad, your Mom & Dad, Ruby & Don, Carol & Ron and Isabel & Ike. Over half of them are together now & I'm sure they are planning a great spur of the moment party for their latest member of suburbia. My sincerest condolences, Linda

I was saddened to hear of Dorrie's passing. I so enjoyed curling with her the last few years. She was always willing to share her knowledge of the game she obviously loved. I will miss her great sense of humour and competitive spirit. My heart goes out to her friends and family.

So sorry to hear about Dorrie's passing. Didn't know her very well but I did curl with her and against her for a few years. Really enjoyed her personality, her stamina and had great respect for her curling talent. My sympathy to her family and all her curling friends. I will miss her too.
