We were saddened to hear of Frannie's passing so suddenly. We have loved Fran for over 60 years. Orr Lake Ladies luncheons will never be the same. We have many happy memories of fun times and travel together and most of all the New Years Eves spent together partying to the wee hours. Peace & Love to the family

I am saddened by the passing of Fran. She and I go way back to minor hockey days. Stephen and my son Scott (McLellan) were on the same team and Fran or Ken would pick us up for games and practices as I did not have a car. There was one ride that I particularly remember. Fran's car broke down and we thought the boys would not make their game. Ken came to our rescue and got us all there on time. Shortly thereafter Fran showed up with a new car. I have thought of you often and will never forget the support you offered to Scott and I. Rest in peace my friend.
