Ken and family. My condolences on your loss. Joanne was one of the most kindness people I've met. I've been Kens building supply Rep for 10 years, and I got to see that she was not only a great wife to Ken , but also a fantastic mother.

I've known Joanne since we were girls doing the silly things that girls do. It's sways hard to find the right words to say goodbye however the time has come. I'm terribly sorry for the loss you all are sharing, please know others share your grief and sorrow at this time. I will miss my friend and the laughs we shared long distance. Thank you for letting me know about my friend. Take special care of each other especially at this time, you are in my thoughts and will be everyday for some time to come! With Love...Anne ☺ m
