What a wonderful man who will be deeply missed by many in the community of Elmvale. I will always remember his many stories and sharp witted nature. Ken always had you laughing with some kind a joke. It brings a smile to my face just seeing his grin after telling you that joke. My deepest sympathy goes out to his whole family, please know you are in our thoughts and prayers.

Dear Sheila, Lora Lee and Heather, Your family were such good neighbours and Janice such a good friend as we were growing up. I loved your mom and dad and catching up with them when I came back to Elmvale. We would sit on the front step and they would show me all your pictures. Hugs. Special thoughts from afar to a wonderful family who always opened their home to me whether it was for social visits in my youth or as a winter 'storm stayed' country kid who could not get safely home from school. Your kindness has never been forgotten.
